

THE KING AND QUEEN
207

Devadatta

Queen, they will not come.

Queen

Then the King shall fight
them.

Devadatta

The King will not fight.

Queen

Then I will

Devadatta

You!

Queen

I will go to my brother
Kumarsea,
Kashmir's King, and with his
help
fight these rebels, who are a
disgrace
to Kashmir. Father, help
me to
escape from this kingdom, and
do your
duty, if things come to the
worst.

Devadatta

I salute thee, Mother of the
people*
